Position Descriptions:					
Lid Feeder – Load lids into a dispenser that seals them onto the filled cans. Primarily a standing position. Light lifting and coordination required.					
Print Inspector – Responsible for pulling defect cans before they enter the cooking system. Involves watching items on a moving belt. Primarily a sitting position with some standing and movement. No lifting required.					
Product Sorter – Watch for and remove foreign materials or poor quality beans/corn as it enters the canning area. Position can be standing or sitting. Involves watching product on a moving belt. Coordination required, but no lifting.					
Can Inspector (DP) – Watch the line as cans come off of the depalletizer (DP) and enter the production area. Watch for tipped/damaged cans and keep the flow of cans moving. Primarily a sitting position, but requires climbing stairs up to a raised platform. No lifting required.					
Check Weigher – Help to manage the check weighing station after cans are filled with beans/corn. Carry out tests at 15 minute intervals and record results. Mixture of standing and sitting. Minimal lifting.					
Product Cleanup – Help scoop and remove any beans/corn that fall onto the floor in the processing area. Primarily a standing position with regular movement and some lifting up to 25 lbs.					
Can Inspector – Watch the line as cans enter the production area and are filled with beans/corn. Watch for tipped/damaged cans and keep the flow of cans moving. Primarily a sitting position. No lifting required.					
Outside Labor - Helps prepare beans/corn to be processed. Product is coming in fresh from the farm and runs through assorted outdoor equipment to prepare the raw product for canning. As assigned, may help with sorting product or handling waste materials such as husks. Primarily a standing position with regular movement. Some lifting may be required up to 25 lbs. This is an outdoor position and is subject to weather/heat. Water is provided.					
Note: Volunteers must be age 16 or older and feeling healthy. Wear comfortable clothes. No shorts or open-toed shoes.
